Message from the University

University

The Copperbelt University (CBU) was established by the Act of Parliament No. 19 of 1987 and accredited by the Higher Education Authority. It is located in Kitwe, along Jambo Drive, Riverside in the Copperbelt Province of Zambia. Besides the conventional university education, CBU also offers competitive Open Distance Learning/ Education (ODL/E) programmes that lead to the award of certificates, diplomas, and degrees through the Directorate of Distance Education and Open Learning (DDEOL).

DDEOL is also engaged in a variety of programmes that include seminars and workshops besides offering academic programmes through distance learning modes as well as through affiliation of selected colleges.

Vice Chancellor

Professor Naison Ngoma Since 2012

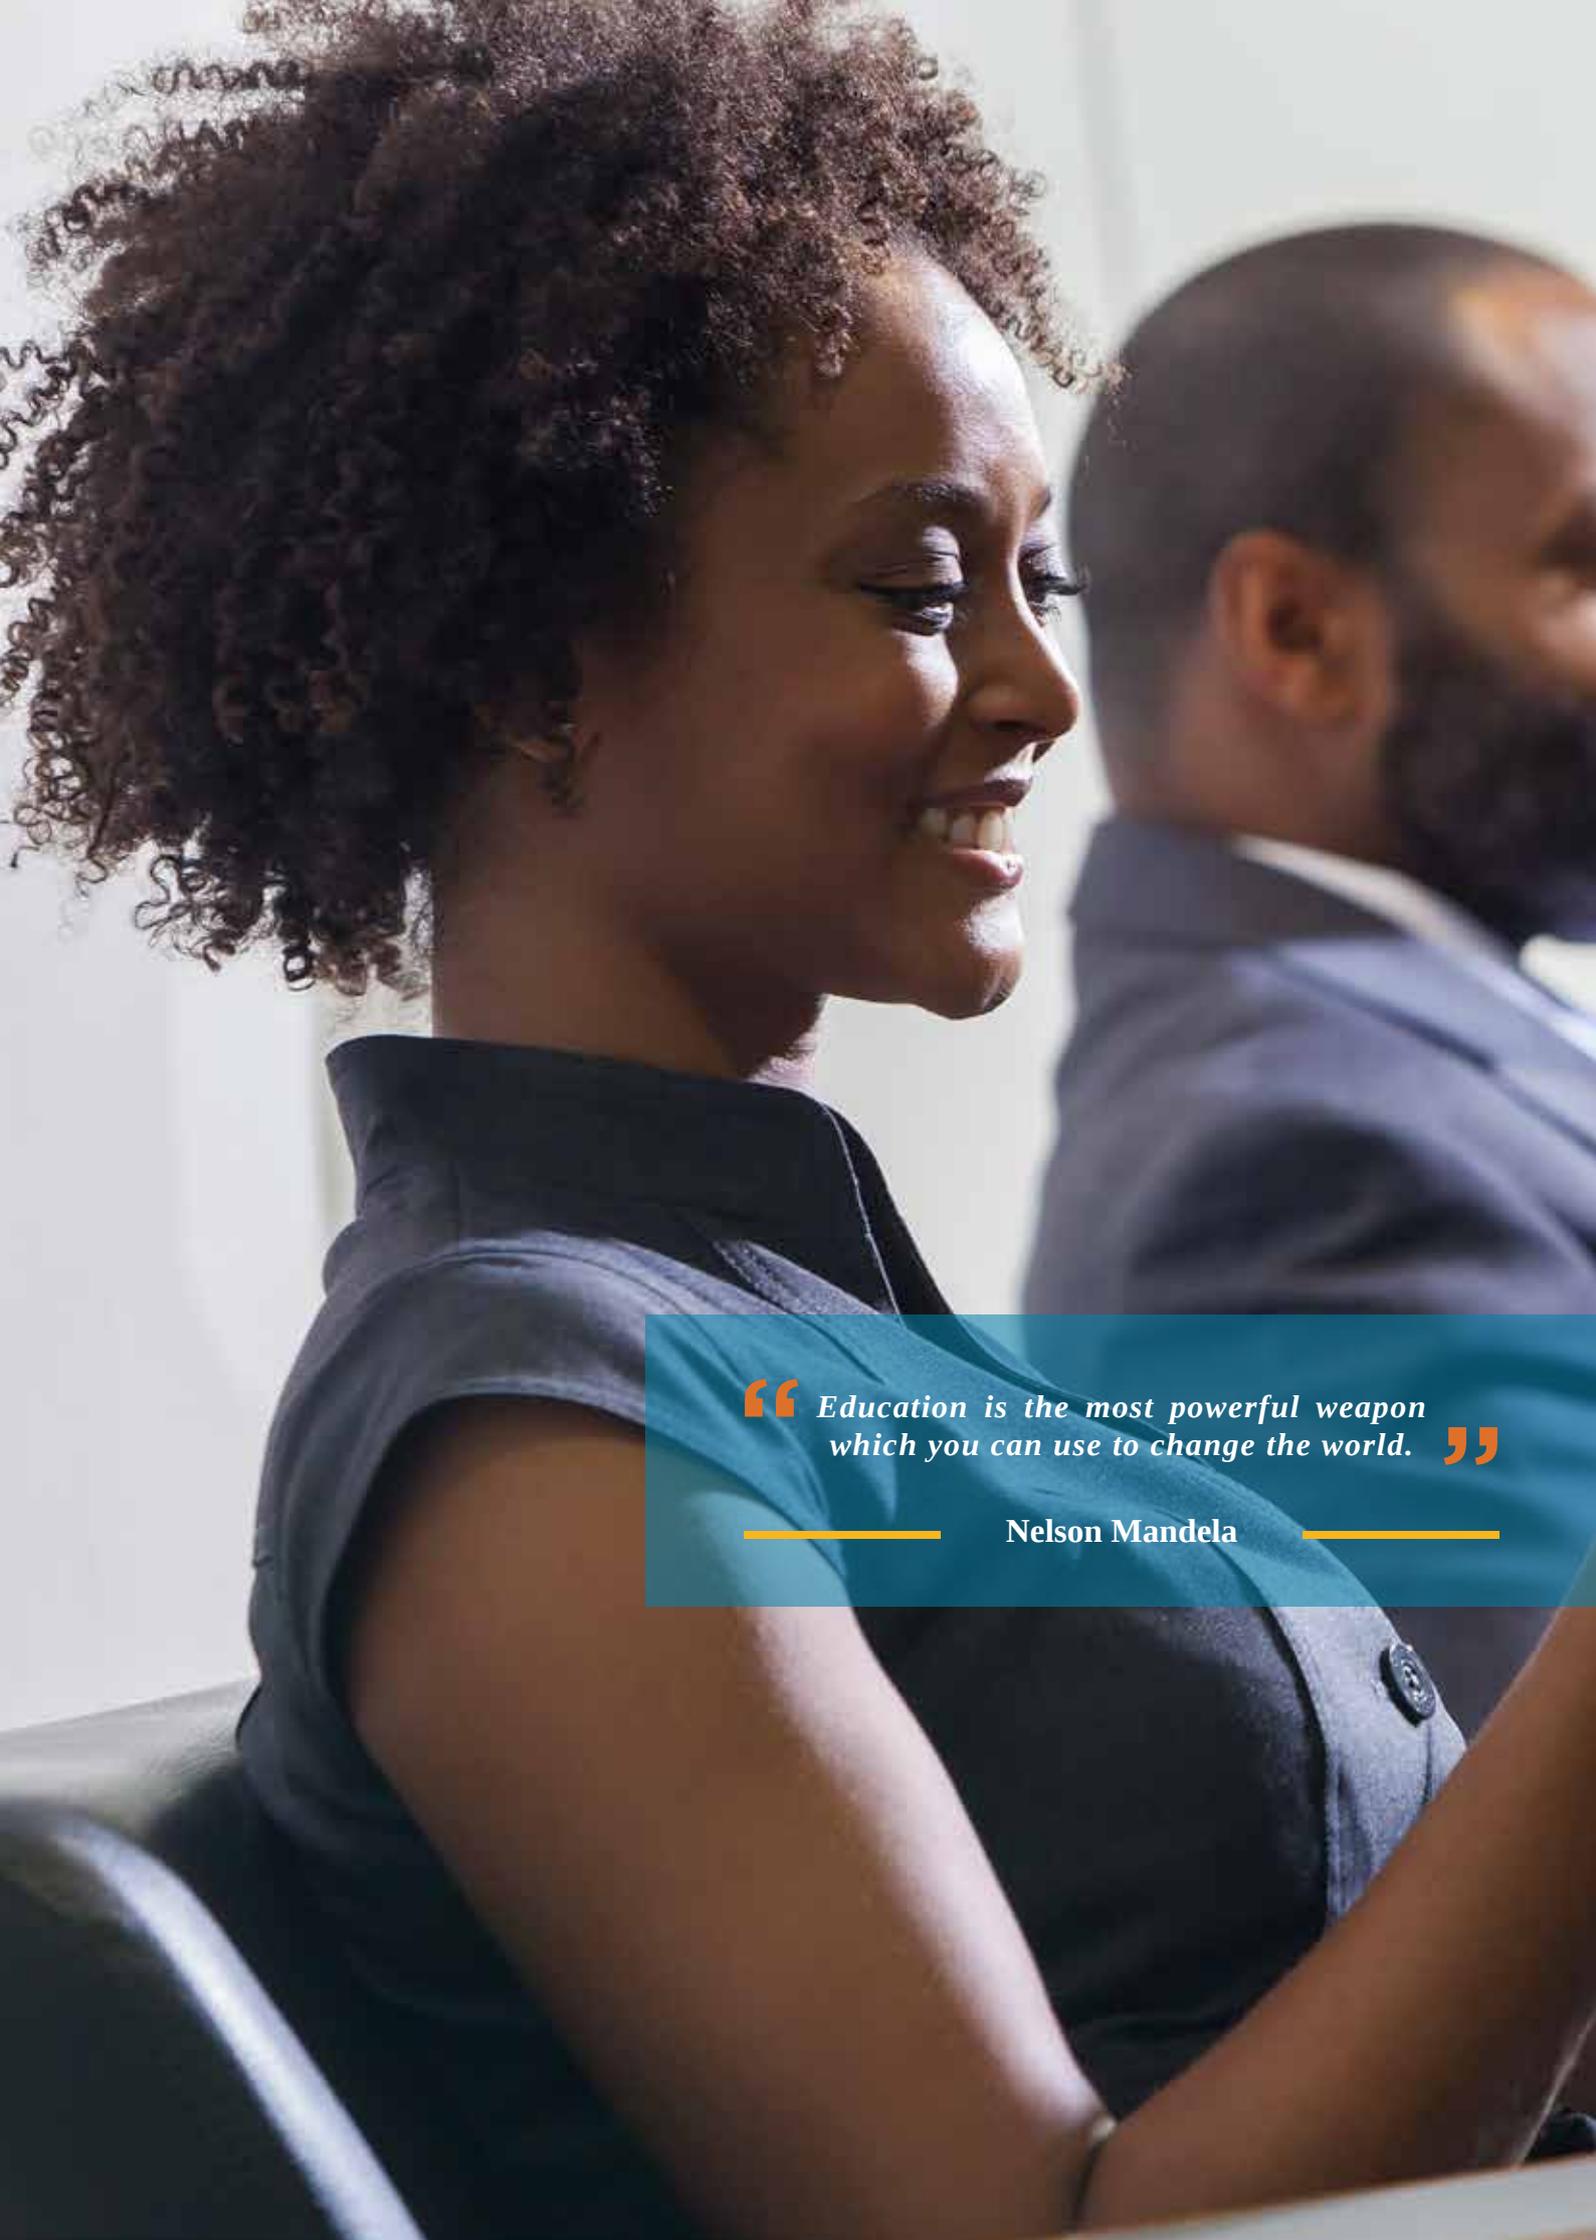

Mrs Helen Mwenya Mukumba
Registrar (Principle Officer)

Vision

To be an institution in which scholarship flourishes in an environment characterised by world-class infrastructure and collaborative relations and supported by an accountable, transparent and efficient University governance system.

Mission

To contribute to the development and sustenance of the well-being of the people of Zambia and the world through the provision of flexible, innovative, entrepreneurial, inclusive programmes of teaching, learning, research, and service.

“ Education is the most powerful weapon
which you can use to change the world. ”

— Nelson Mandela —

About Our

Directorate

Welcome and thank you for your interest in Open Distance Education of the Copperbelt University. We are a dynamic university community consisting of students from all parts of Zambia and an increasing number of international students. As a leading institution in ODL in Zambia, DDEOL is proud of its academic excellence and the contributions of its highly qualified lecturers and researchers in a quest to provide quality education to all.

Dr Donald Chungu
Director Distance Education

If you are looking for quality ODE and want to discover and create new knowledge that will help make a difference in your community, then Copperbelt University is a place where you can excel. Our degrees and diplomas are internationally recognized and are sought after in the job market because employers and industry experts know that they can rely on the quality of Copperbelt University graduates.

Philosophy of the Directorate

The philosophy of DDEOL is that ODE is an alternative mode of education, and a gateway for increasing greater access to inclusive and equitable quality university education.

Accreditation

The Copperbelt University is accredited and/or recognized by the Ministry of Higher Education, Zambia. All programmes are accredited by the Higher Education Authority, an institution established under the Higher Education Act No. 4 of 2013, to ensure quality of delivery of services by Higher Education Institutions (HEIs).

Prospective CBU/ DDEOL students are guaranteed of:

- ▶ Receiving quality education that is globally competitive.
- ▶ Acquiring worthwhile knowledge that will make you stand out among peers both as an employee and as an entrepreneur running your own business.
- ▶ Gaining knowledge that will empower to make decisions that will enhance your career.
- ▶ Acquiring knowledge that will respond to the changing needs of today's world.
- ▶ Flexibility with regard to setting their own pace for studies.
- ▶ Establishing networks through mixing with many people from many places.
- ▶ Paying less than for full time degree, with payments staggered.
- ▶ Attaining accredited and nationally recognized qualifications.
- ▶ Having the opportunity to learn without travelling to and from class every day.

About Directorate

Open Learning

The Directorate of Distance Education and Open Learning is headed by a Director. The four departments of the Directorate are:

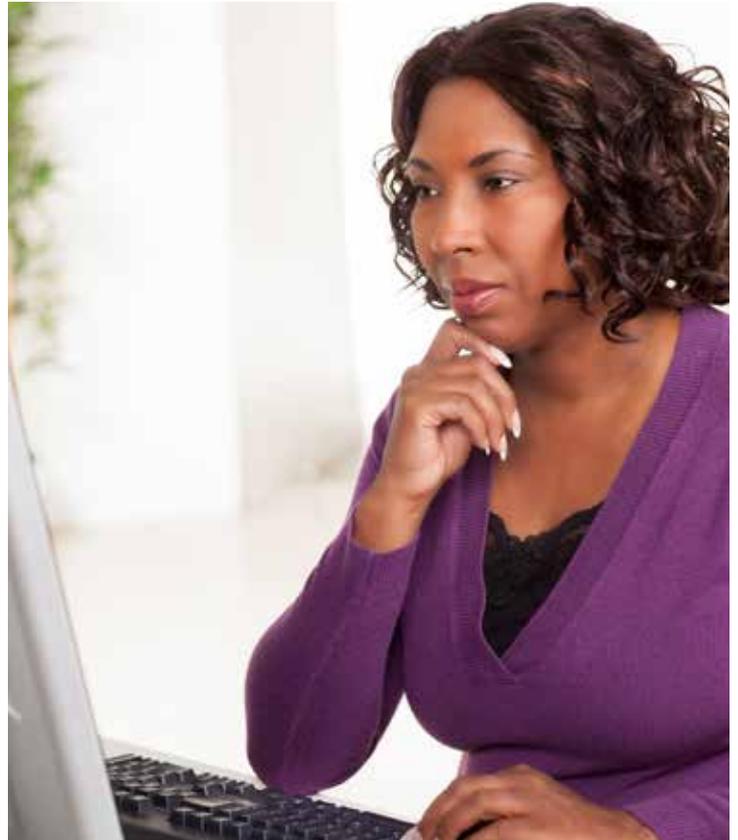

- ▶ Business and Management Studies
- ▶ Education and Social Sciences
- ▶ Environment and Life Sciences
- ▶ Engineering.

Online Learning is the future

Of education

The days of committing to traditional brick and mortar institutions and attending scheduled lectures are no more a challenge. The number of quality programs available online and the need to balance life commitments with education has made Online learning the preferred choice.

Benefits of Online Learning

▶ **A variety of programs and courses to select from**

Enrol for programs most suitable to your ambitions and requirements from the options available online. Overcome the constraints of time and availability.

▶ **Saves Time and Money**

No need to take a break from your current commitments and travel for education. All the course material is online, thus no extra investment required. Tools like the Astria digital library are an added advantage.

▶ **24/7 at your chosen time and place**

Complete your course at your own convenience from the comfort of your chosen space.

▶ **Keep Track of your progress**

All course materials / assignments / grading is done online making it easy to keep an eye on your progress.

▶ **Focused interaction with world class faculty**

Gain knowledge from course material and hours of lectures designed to upgrade your skills.

Master in Peace and Conflict studies

Program

Conflict is a part of the reality of our organisation, community & our daily life. Understanding the multifold and inter-related causes of violence and conflict, and creating the conditions for moving out of authoritarianism into a culture of peace and democracy, remains a major challenge in the world today, more particularly in Africa. The Dag Hammarskjöld Institute for Peace and Conflict Studies (DHIPS) at the Copperbelt University is the Copperbelt University is the forbearer of the Dag Hammarskjöld Chair of Peace, Human Rights and Conflict Management established on 11 November 2002 but officially launched on 26th February 2003. The initiative was in memory of Dag Hammarkjold, the Second Secretary-General of the United Nations who was killed in 1961 in an aircraft crash in the vicinity of the City of Ndola, the Provincial Capital of the Copperbelt Province. He was on a United Nations Mission to bring about a peaceful resolution to the conflict in the Congo, later to become the Democratic Republic of Congo (DRC).

The added benefit of the 100% Online Modules gives you the flexibility to Interact with your peers, participate in discussion and get guidance from a world class faculty at your convenient time and place.

The programme is intended for those who are already involved in conflict management but need further capacity building and those who choose a career in conflict management and peace building.
